

NEWPORT HEALTHCARE

Empowering Lives. Restoring Families.™

Our Accreditation, Licensing, and Affiliations

Newport Healthcare's dedication to client success and quality care is unparalleled. We stand behind our values—excellence, empathy, and putting patients first—in everything we do. That's why our Newport Academy and Newport Institute programs have achieved the highest level of accreditation from The Joint Commission, exceeding licensing standards of care. We're also passionate about advancing the field as a whole and partnering with other respected organizations to address the youth mental health crisis together.

Joint Commission Accreditation

Newport's Gold Seal of Approval® from The Joint Commission makes it clear to the public and within the treatment field that our programs meet the highest standards for quality healthcare. The recognized leader in healthcare accreditation, The Joint Commission certifies more than 22,000 healthcare organizations and programs in the United States, including hospitals, behavioral health, home healthcare, and laboratory and nursing care center services. Newport meets The Joint Commission's rigorous performance guidelines across all individual programs, including more than 1,300 standards, and consistently obtains high approval ratings.

Licensed and Experienced Staff

The Newport Academy staff is comprised of the best mental health leaders and treatment teams in the country, with advanced degrees and extensive experience. Our roster of experts includes fully licensed psychiatrists, psychologists, family therapists, eating disorder therapists, nurse practitioners, counselors, experiential therapists, registered dietitians, teachers, tutors, and more.
